

# Lahat Technologies Ltd.

## Particle Counting Technology, Standards and Applications Technical Seminar

הסמינר יתקיים ב- 02.06.09 , בין השעות 08:30-17:30  
ב"ברונו- קומפלקס אירועים", מרכז עזריאלי ( הבנין העגול) קומה 10

08:30-09:00 Registration

09:00-10:00 Particle Counting Technology

10:00-10:30 Airborne Particle Counters – Standalone, Sequential and Real Time

10:30-10:45 Coffee Break

10:45-11:15 Liquid Particle Counters – Online and Laboratory

11:15-12:15 Performance Standards (Past, Present and Future) – ISO 21501, JIS B 9921

12:15-13:15 Lunch

13:15-14:15 Clean Room Standards for Certification and Continuous Monitoring -  
ISO 14644-1 and ISO 14644-2

14:15-15:15 Life Sciences Regulations and Applications – Air and Liquid

15:30-16:15 Electronics Applications – Air, Liquid and Gases

16:15-17:00 Indoor Air Quality Applications

17:00-17:30 Emerging Applications (Solar, Energy Savings)

מספר המקומות מוגבל | ההשתתפות הינה ללא תשלום ומותנת בהרשמה מראש

**LIGHTHOUSE**  
WORLDWIDE SOLUTIONS  
Technology That Counts!

The lecturer guests are from Lighthouse

world's leading supplier of real time

contamination monitoring systems and airborne particle counters.

Presenters: **Bill Shade** Vice President Marketing & Engineering

& **Morgan Polen** Vice President Application Technologies

להרשמה נא שלח את פרטיך הבאים לפקס: 09-7646204 או למייל [seminar@lahat.co.il](mailto:seminar@lahat.co.il)
